

WH3315

MOBILE CART

Seamlessly accommodates 65"-86" Hisense interactive displays, the WH3315 mobile cart combines effortless setup with durable construction. The adaptive mounting system delivers secure, professional-grade support – whether energizing modern classrooms, dynamic boardrooms, or innovative collaborative workspaces.

Highlights

Perfect Versatility

Versatile and practical, the mobile cart accommodates 65"-86" interactive display boards. Featuring three adjustable height settings, it easily customizes to diverse user needs and ergonomic requirements.

Quick-assemble with robust design

The mobile cart is easy to assemble and delivers a robust, secure mounting solution for your interactive digital display.

User-friendly Mobile Cart

Featuring smooth 360° silent-glide wheels with secure locking and a convenient storage tray for laptops and accessories, it enhances workspace convenience greatly.

Cable-streamlined Minimalist Design

This silver-grey mobile cart features tool-free cable management channels and contemporary minimalist architecture, providing seamless integration of Hisense displays in premium educational and corporate environments.
